

Exwick At War – 1st December

MEMORIES OF THE WW2 HOMEFRONT

On the 1st December Exwick Community Centre will be transported back to the second world war. The joint event between

Exwick Community Association and the Living Here Project will be a fun and thought provoking day about the Home Front and what it was like in Exwick during WWII.

During the day Blitz and Peaces will be helping evoke the period. First

hand witnesses will share what they saw and felt. Modern day Air Training Corp will be cooking food of the

time. Volunteers from the museum will be there too.

The Sirens singing group will provide War-time songs .

We also hope to have period vehi-

The Sirens singing group

cles, an exhibition of artefacts and fun and games for all the family. Prizes too!

The event is free and open to all.

12 until 5pm - come and go
Saturday 1st December 2007
Exwick Community Centre
Kinnerton Way, Exwick

More details from -
Janet Gale 01392 214541

The Kinnerton Way Shop is taking shape

The Kinnerton Way building may have been open for a year, but the shop is only just taking shape.

A ground floor extension into the car park

will give extra space and mean more range in the shop.

Things seem to be going well so this convenience store may really be open for Christmas!

November 2007

Who are we and how can you help?

• *Exwick Community Association (ECA) is a registered charity (number 1043677) formed of Exwick residents. ECA is open to everyone in Exwick. ECA is not political and aims to improve our area by working together, encouraging other groups and services to work here and to run a centre.*

• *ECA covers the whole of the ward of Exwick from Isleworth Road to Farm Hill.*

• *You can be involved too. Give a little or a lot of time to any aspect of the charity. Put up posters or be on the committee of trustees. Plan events or help maintain the centre. Meet new people and it can look good on your CV too!*

• *If you have a good idea, want to volunteer, join our email mailing list. or have something for the courier, contact the committee on eca@exwick.com*

• *You can sign up online at www.exwick.com*

Children and Childcare in Exwick

The Exwick Ark Pre-School — Quality Assured and on the move

Lord Mayor Hazel Slack joined in the celebrations as The Exwick Ark Pre-School was presented the Pre-school Learning Alliances National Accreditation Certificate for excellent quality. This rigorous accreditation scheme carries Investors in Children status. The scheme recognises the importance of linking early years learning with high quality care involving the home and parents.

Lord Mayor Hazel Slack enjoys her day at Exwick Ark Preschool

Investors in Children, linking early years learn- ing with high quality care

Manager Paula Stone said that the Exwick Ark staff are continually improving the level of service and childcare, and are thrilled to receive this recognition of their dedication to the children in their care.

The Ark is on the move

With the moving of Exwick Heights School to its new building at Christmas The Exwick Ark Pre-school will be moving to a temporary home at the Parish Hall in Station Road. Longer term the Ark will have a new permanent home built on part of the current Foxhayes School site.

New parenting group for Exwick families

Being a parent is the hardest job, and yet we receive no training, the hours are long and there is no pay. Unfortunately we can't do anything about the hours, or wages, but we can provide somewhere to talk about the stresses and strains of parenting our children.

a variety of parenting issues will be discussed. You and your pre-school child/children can join us for parenting advice, a healthy snack, free play and circle time.

We are Claire and Liz, Family Support Workers from West Exe Children's Centre. We are both parents and have experienced how hard parenting is. Helping us will be a volunteer, Nicky Picken.

To find out more and to apply to join this group we are holding three consultation sessions on Wednesdays, November 21st, 28th and December 5th 9.30 until 11 am. Come along and tell us what sort of parenting issues you need us to include.

The first group of sessions starts on **January 9th 2008, 9.30 to 11.30 am.**

We look forward to meeting you and your children.

Each group will run for six weeks and

SPLASH Half Term Play scheme for 8-12 year olds

My Neighbourhood Project in Exwick

Exeter City Council

“My Neighbourhood” Partnerships are a new initiative led by Exeter City Council in partnership with Exeter Community Initiatives (ECI) and Exeter Council for Voluntary Services (CVS).

“My Neighbourhood” is a project that aims to give more power to local people by developing Local Partnerships to tackle local issues. Exwick is one of four areas chosen in Exeter.

The Local Partnership has a small pot of money to address local priorities by, for example, providing small grants to local community groups or to improve local facilities. The partnership will include: residents, ward councillors, the council and other providers of local services. The project is open to all residents living in Exwick.

- Share your ideas and thoughts about your community

- Meet local people, find out what's going on in your area
- Find out how you can help to make a difference

If you would like further information about the project or to be kept informed of what is happening then please come to one of the public meetings or contact either:

Carole Pilley Tel: 01392 205807

carole@eci.org.uk

Emma Hall Tel: 01392 202055

emma.hall@exetercvsvs.org.uk

Developments in Exwick

Exwick Community Association is here in part to inform residents about things going on in the area.

Without saying any of the following is good or bad we have heard about a number of development proposals in Exwick. At the time of writing none has planning permission and all may never happen. We have decided to publish the biggest of these projects.

Written here is our understanding at the time we went to press. We have no special influence over these projects although some members of ECA have attended meetings about some of these projects. If you want further details you should contact the land owners directly.

The Foxhayes Project

Devon County Council have given the two sites of the current Exwick Heights Schools for affordable housing. Exeter City Council have agreed to help pay for the building

costs. It is likely as part of any planning consent that there is space for a doctors surgery and a pre-school.

St Andrews Road

Exeter City Council has declared the land between Swallow Court and Exwick Mill as surplus in the hope that it can be used for social housing. The planning consent would be dependant on new cycle path, improvements to the local park and landscaping the view across the river. Some local residents have objected as this would affect wild-life and the BMX track on the site.

Treetops

Exwick Road, Devon County Council are planning to dispose of the old day centre building. We have no other information.

For all the current planning applications see the Exeter City Council Planning Website Search: <http://pub.exeter.gov.uk/scripts/Acolnet/dataonlineplanning/AcolNetCGI.gov> Search for "Exwick".
